Hello 65th Members and Visitors:

It is one of the highest honor in my life to talk about two great War heroes. We use to play a game with a "war theme", maybe to remind our past military career, to remember relatives who died at the line of fire, or to remember relatives who served in our glorious US Armed Forces...Yes maybe to remind or live their situations in that specific and frozen moment of their "war" life.

But, Here we have 2 genuine "War Heroes", two clan brothers who are right now, NOT in the past, just in PRESENT time, fighting one of the worst, cruel and horrible war in our mankind history. The war of the Cancer.

So, in their names, we would like to name the COD4 server the "Chad COD4 Server"...And we would like to see you alive and with good health status when you both return from that WAR. GOD continues to bless you brothers and your beautiful family. Amen.

"Semper Fi"

==|GoA| Freendeed :

Freendeed was one of the three founders of the 65th Clan (2003). Rick is his real name. He is one of the best friend of TheRiskyMan. He was one of the finest and dedicated player of MoH:AA. A real killer using grenades. His favorite weapon was the Machine gun. Also, learned to modify maps and used to be our Servers' administrator. Now, Freendeed have a serious health condition that requires him to spend his time at bed/wheelchair bound. Living in Kentucky area and singing to our Lord Jesus in a near church in his community.

==|2LT| cHAD :

cHAD or Chad was our first Leader of the COD4. Was a good OBJ player in mohaa. He used to play daily, but adquired a rare kind of cancer and had to retire. He is a fireman in the Texas State. We'll miss him a lot. He was a great asset to the clan. Actually recovering from his second course of chemotherapy. We are praying to GOD to return him back to our lines in good health status.

Hey Chad, Free.

Been praying hard for you brothers, I know God has his hand in this, trust him and you wont go wrong.

See you back on the battlefield before you know it.

Could you send me a private message with your address's and phone number?

Would really like to send you both a prayer cloth and talk to you.

Prayer cloth -

Acts 19:11. And God wrought special miracles by the hands of Paul:

12. So that from his body were brought unto the sick handkerchiefs or aprons, and the diseases departed from them

I have seen God do incredible things with prayer cloths, total healings.

Let me know, keep your head up.

65th HOORAH!!!!!!
